To: Roger Toussaint – President TWU Local 100
From: Peter Corabi – Treasurer TWU Local 562

Dear Brother Toussaint;

This letter is to inform you of my support of your Union and your members right to strike. While this decision must have been a difficult one, I am sure that it was done with great thought and consideration.

The ability to strike and withhold our labor is fundamental to our ability to succeed as a Union, and improve the living standards of our membership. It is unfortunate that lawmakers, over time, have passed legislation to deny this right. I will confer with my executive board, and do my best to give your Union what ever support that Local 562 can bear. Good Luck.
